Les Hauts de Roc Salière - AOP Côtes du Rhône Villages Séguret Red 2022

AOP Côtes du Rhône Villages Séguret, Vallée du Rhône, France

Situated in the southern part of the Rhône valley, Roc Salière is a place that is steeped in history. The small village of Rocsalère owes its name to its unusual location at the foot of a rocky outcrop. A stone throw away, the 'Rocher des Druides' and ancient cliff dwellings are the subject of many legends since the Middle Ages. Nowadays, nature has reclaimed the place that flourishes out of a respect for the surrounding wildlife and flora.

PRESENTATION

We produce our wines based on these very values, with a constant desire to preserve our ecosystems and their heritage. Our vineyards flourish here in a well-balanced terroir and soil composed of clay-limestone which provide a regular water supply and release at night the heat accumulated throughout the day.

TERROIR

Soil composition: hillsides and clay-limestone terraces.
