## Bruno Lafon, French Wines From Bruno Lafon, Font de Joubert, AOC Côtes du Rhône, Rouge

AOC Côtes du Rhône, Vallée du Rhône, France

Built on a sandy mound the Font de Joubert lieu-dit and vineyards invite you to take things easy, as you stroll from one little square to the next via winding lanes and curious water springs. Its gently sloping, drawn-out vineyards are planted in sandy soils, decalcified red clays and gravelly pebbles of various sizes. This is where Caroline Charrier and her brother produce this comforting red wine.

### TASTING

Alluring notes of raspberry preserve, violet and pronounced notes of dried thyme and rosemary accent this sun-drenched Grenache blend. Baked black-cherry and grape-jelly flavors are hedonistic and dense. Supple, silky texture is contrasted by pleasantly ripe gripping tannins and lingering notes of earth and spice on the finish

### FOOD PAIRINGS

Syrah & Grenache is a quintessential red blend calling for red fleshed foods – from beef and lamb to tuna, goose and game, or else fattier cuts of pork. It is amazing with barbecue as a lot of people pick up cedar and wood smoke aromas in the wine that flatter any steak you toss on the barbecue.
