Languedoc, Famille Bruno Lafon, Lucy In The Sky, Vin de France, Blanc

Vin de France, VSIG, France

"Lucy was adopted at 7 months of age from the Grassy Park SPCA in Cape Town South Africa, she was a timid little girl, but who wanted to be loved and give love at a time in my life where I desperately needed this. Over the next 10 years she developed an incredible personality and converted many friends who were not fond of dogs to being at least, Lucy lovers. Sadly she developed a brain tumor and trotted off across the rainbow bridge, our hearts breaking." Sharon Lafon.

PRESENTATION

In honor of Lucy and all re-homed dogs, a wine was created to pay tribute to them and the global animal charities. Grassy Park SPCA in Cape Town, who rescued Lucy, and Mutare SPCA in Zimbabwe, who supported the family during their time farming, are the nominated organizations. Despite challenges, they tirelessly protect animals and educate communities. 15 cents from every bottle of Lucy in the Sky wine sold will be donated to these exceptional African charities. Let's raise our glasses to Lucy in the Sky with love and support for these outstanding organizations.
