### TASTING

Appearance : The wine is clear yellow in colour with light silvery glints.

Nose : This is the best example of a wine with primary aromas. The olfactory intensity is distinctively grapey. This fruit intensity is sometimes accompanied by subtle floral notes.

Palate : Vinified dry, it feels exactly like biting into a grape. The freshness and hint of refined bitterness contribute to the spontaneity and harmony of the wine.

### FOOD PAIRINGS

This is a wine to be enjoyed young. With its dry character, Alsace Muscat is perfect for whetting the appetite. It is served as an aperitif at some the finest restaurants in Alsace. Unlike many wines, Muscat is an excellent pairing for asparagus. It brings out the best in light, vegetable-based dishes, both cooked and raw.
