PRESENTATION

Located in Claret, in Hérault, at the heart of Languedoc, Domaine De Villeneuve is a family estate that highlights all the richness and diversity of Pic Saint-Loup wines. The terroir, composed of limestone soils and scree, benefits from a Mediterranean climate tempered by the influence of the surrounding mountains. The estate practices integrated pest management, favoring manual work and precise vinifications to preserve the authenticity of the fruit. The reds, made from Syrah, Grenache, and Mourvèdre, are powerful and elegant, with notes of black fruits, pepper, and garrigue. The more confidential whites charm with their freshness and balance. An emblematic estate of Pic Saint-Loup, ideal for discovering deep and expressive wines.

VARIETALS

Syrah, Mourvèdre

LOCATION

The estate is composed of small vineyard plots, most of them under 1 hectare, surrounded by garrigue and woodland.

Age of vines: 40 years old

TERROIR

A unique natural amphitheater made up of south/southeast-facing clay-limestone slopes.

IN THE VINEYARD

Sustainable farming, with organic conversion underway since 2022.

HARVEST

Harvesting is carried out entirely by hand.

WINEMAKING

After a first sorting in the vineyard, the grapes are brought to the cellar. The Syrah bunches undergo whole-cluster maceration. This technique helps preserve the integrity of the berries and prevents crushing during vatting. The maceration lasts about 14 days. Punch-downs and pump-overs are done according to tasting to extract the wine's color, tannins, and aromas.

AGEING

Aged for 24 months in new 110-liter French oak barrels sourced from selected forests.

SERVING

Serving temperature: 16°C–18°C

AGEING POTENTIAL

10 to 15 years

TASTING

Nose of dark fruits and licorice. The palate is very concentrated with beautiful dark fruit flavors. Excellent aromatic balance.

AT NOSE

Dark fruits and licorice.

ON THE PALATE

Concentrated and rich, with well-balanced dark fruit aromas.
