CHENIN

PRESENTATION

A highly versatile varietal, Chenin Blanc is renowned for its wide range of styles. Loved for its natural freshness and liveliness, it truly shines in sunny climates where it reveals intense aromas of citrus and white flowers.

WINEMAKING

The grapes are directly pressed. A cold settling is carried out before fermentation at a relatively low temperature between 16–18°C.

AGEING

Our Chenin is aged in stainless steel tanks for around three months to preserve its full freshness.

TASTING NOTES

This wine displays a bright color with luminous highlights. Vibrant, expressive, and delicately aromatic, this Chenin Blanc delights with notes of lime, lemon meringue, and white flowers. The finish is fresh and well-balanced, perfect for sunny days. Serve around 9°C.

FOOD PAIRINGS

Perfect as an aperitif, it also pairs beautifully with pulled pork or a vegetable curry. For dessert, try it with an apple and pear crumble.
