

BALADE ROMANTIQUE

Balade Romantique, Sauvignon Blanc, Blanc, 2022, Vis

Vin de France, VSIG, France

TERROIR

The grapes come from five selected terroirs : the Thau lagoon basin, the dried-up marsh of Marseillette, the Upper Aude Valley and the western Aude department. These terroirs lend freshness and minerality to the grapes.

WINEMAKING

The grapes are harvested in the morning and transported rapidly to the winery. After that, the berries are gently pressed. Ageing on fine lees at low temperature to preserve all the Sauvignon blanc's flavours lasting just a few months. An early bottling allows to capture freshness and primary flavours.
