BRUNOLAFON
wine selection

La Maison Lafon, Déjà Vu, AOC Languedoc, Red

AOC Languedoc, Languedoc-Roussillon, France

Bruno Lafon believes his wines should first express the utmost respect for the primary material ... site, soil and vines. His grapes are produced from single or at the most two organic or converting to organic vineyard sites, where the grapes are hand-harvested from vineyards of our own or our close neighbors, with whom we share the ethics of work well done.

La Maison Lafon series of wines reflect the inspiration of the vintage and times.
