Coucheroy

Château Coucheroy White 2019

AOC Pessac-Léognan, Bordeaux, France

PRESENTATION

"Couchiroy" or "Couche Roi" in Gascon. According to legend, one stormy evening, King Henri IV, returning from the Battle of Coutras, stopped here for a rest. He will surely have appreciated this fresh, easy-to-drink wine and enjoyed its astonishing tropical fruit aromas. A true wine fit for a king!

THE VINTAGE

WEATHER CONDITIONS

2019 was marked by a fairly mild winter, resulting in early bud break. Spring rainfall was scarce and drought conditions set in in early summer. Rainfall in August provided a welcome relief for winegrowers.

TASTING

Clear appearance, a pale yellow colour dotted with green reflections.

Full of freshness on the nose, with notes of citrus, lemon...

Well balanced, with roundness and smoothness, not forgetting an attractive freshness. More floral notes are added to the citrus aromas already perceived on the nose. The long finish is also very fresh, marked with a hint of salinity.
