Château Clarettes, Thérapie, AOP Côtes-de-Provence, Rosé

AOP Côtes-de-Provence,

Château Clarettes is a long-standing anchor on the Arcs-sur-Argens terroir and has reborn from its ashes like Phoenix in recent years. It's undergoing a complete renovation — with even more improvements to come — made possible by the will of wine enthusiasts Seligsons from Finland, who took over this vineyard in 2012. This historic estate is taking a page from nearby Bandol, utilizing a high proportion of Mourvèdre in its rosés.

PRESENTATION

When you swing by the Seligsons' winery, get ready for some grape therapy, literally! It's like a spa day, but with vineyards for views and oak trees for company. So, sip back, relax, and let the tranquility seep in – it's the kind of therapy where the only thing you're pouring out is another glass of their calming concoction!
