Provence , Château Grand Boise, AOC Côtes de Provence, Rosé

AOC Côtes de Provence, Provence, France

Nestled between Mount Sainte-Victoire and Sainte-Baume, Château Grand Boise enjoys a special continental climate. Since 1610, it's evolved from varied farming to exclusive winemaking. Its 30-ha vineyard, amidst a vast 400-ha estate, stretches from 320 to 650 meters high, enriching its organic wines with unique traits. Grand Boise has recently upgraded its winery with cutting-edge grape processing methods.

PRESENTATION

Château Grand Boise has recently upgraded its winery facilities and machinery. State-of-the-art anaerobic transport, a cutting-edge sorting table, and precise destemming techniques guarantee the use of only the finest whole grapes, discarding any damaged ones and stalks. To ensure the harvested grapes and the must receive delicate handling, transfers are conducted either through gravity feeding or with the gentle assistance of a peristaltic pump. The Sainte Victoire cuvée is the hallmark of Grand Boise, crafted from the finest Sainte-Victoire classified vines. These wines undergo a meticulous vinification process, aimed at enhancing their aromatic richness.
