COLLECTIF VIGNERON DEPUIS 1923

Dom Brial, Gamme CHR - Caviste, Echinops, IGP Côtes Catalanes, Blanc, 2025

IGP Côtes Catalanes, France

The complementarity, that of the vine and the surrounding nature, from the almond tree to the olive tree, from thyme to Echinops, this blue thistle that gives our landscapes a very particular silvery blue hue. This vintage pays tribute to floral and animal life and to this symbiosis within our vineyard, strong in our commitment to listening to the Earth and to Men.

TERROIR

From high terraces of rolled pebbles on clayey soil.

WINEMAKING

The grapes are pressed upon arrival in the cellar. Alcoholic fermentation takes place in concrete tanks for thermal inertia, and at low temperature to preserve the aromas.
