PROPRIÉTÉ

PRESENTATION

Located in Côte de Beaune, Domaine Dubreuil Fontaine exploits a prestigious vineyard spread over the communes of Pernand-Vergelesses, Aloxe-Corton, Savigny-lès-Beaune, Pommard, Beaune, and Volnay. This family estate, whose history goes back several generations, is committed to expressing the diversity of its terroirs through 22 appellations, ranging from accessible Bourgognes to exceptional Grands Crus. Viticulture is conducted according to an integrated approach, aiming to preserve the natural balance of the soils and the richness of the vineyard. Amendments are controlled, soils are regularly worked, and the harvest is done manually with meticulous sorting upon arrival at the winery. In the cellar, vinifications are adapted to each vintage, with controlled extractions and well-dosed aging in oak barrels. The reds from the estate express all the finesse and depth of Pinot Noir, while the whites offer superb minerality and beautiful aromatic complexity.

VARIETAL

Chardonnay 100%

LOCATION

Southeast-facing mid-slope parcel. Surface area: 0.14 hectare.
Age of vines: 10 years old

TERROIR

Clay-limestone soils offering freshness and balance, ideal for white wines.

IN THE VINEYARD

Manual vineyard care including seasonal treatments and soil management. Manual harvest with careful grape sorting.

WINEMAKING

Traditional fermentation in French oak barrels with 100% malolactic fermentation.

AGEING

Aged 10 to 12 months in oak barrels, 25% of which are new.

SERVING

Serve between 10 and 12°C.

AGEING POTENTIAL

3 to 5 years

TASTING

A pure, light color and an inviting, floral nose with apple blossom notes. Balanced palate with flavors of apple, pear, and a touch of licorice. Subtle minerality leads to a long, elegant finish.

FOOD PAIRINGS

Excellent with:
Grilled salmon
Roast chicken
Shellfish and seafood
Goat cheese

PRODUCTION VOLUME

1 000
