Voyage dans les vignes, Grololo, Vin de France, Red

Vin de France, VSIG, France

Through the hard work of Jo Pithon, its emblematic owner, the Domaine Pithon-Paillé has created a place of choice among the reference domains in Anjou. Its credo? Terroir. Each wine, although made from the same grape variety, expresses itself differently. In these wines, it is the combination of the soils and the climate that works and everything is done to maintain the spirit of sharing. Organic wines.
