

Northern Rhône, Domaine Luyton-Fleury, La source, AOC Saint-Péray, Blanc

AOC Saint-Péray, Vallée du Rhône, France

Pascal Luyton and Raphaël Fleury are two cousins passionate about wine and the Northern Rhône region. Taking over the family vineyards was a natural choice to continue their family's vineyard legacy, and that's how Domaine Luyton-Fleury was born. Situated in close proximity to Mauves, this vineyard brings forth exquisite wines from Saint-Joseph, Crozes-Hermitage, and Saint-Péray. In essence, it showcases the epitome of Rhône excellence!

PRESENTATION

The climate here in the south boundary of the appellation, is continental with Mediterranean influences. Warm days and cool nights during the growing season help the grapes ripen slowly, preserving acidity, and developing complex flavors. From a single vineyard planted on welldraining granitic, pebbly and red sand soils allowing the vines to develop deep root systems, contributing to the wine's minerality and elegant structure.

REVIEWS AND AWARDS

JEB DUNNUCK

92/100

"Lightly colored, the 2021 Saint-Péray La Source is terrific and has a pure, clean, juicy style in its tart peach and tangerine-like fruit as well as a touch of salty minerality on the palate. This medium-bodied, elegant, balanced white is perfect for enjoying over the coming 2-4 years. I wouldn't be surprised to see it keep longer, but I see no need to hold off."
