

## Sauvignon on the rock !

IGP Atlantique - 2021 - **BLANC**

### PRÉSENTATION

Sauvignon on the Rock is made in Duras and benefits from the appellation that is linked to it.

Between the vineyards of Bordeaux to the west, Bergerac to the north and Marmand to the south, the appellation area merges with the canton of Duras. As an extension of the Entre-deux-Mers region, it is naturally suited to the Bordeaux grape varieties, which produce crisp and elegant dry white wines, such as this Sauvignon Blanc, which perfectly represents his terroir.
