## Provence , Domaine de la Croix, Eloge, AOC Côtes de Provence, Blanc

AOC Côtes de Provence, Provence, France

Founded in 1882, Domaine de La Croix spurred the creation of La Croix-Valmer, a Mediterranean gem. This distinguished Cru Classé vineyard, recognized in 1955, thrives on Saint-Tropez's unique soils, producing exceptional AOC Côtes de Provence wines. Its renaissance is credited to the Bolloré family's vision. Michel Rolland, a renowned oenologist, enhances the vineyard's charm. His blending expertise gives each wine a captivating uniqueness.

### PRESENTATION

"Eloge' pays homage to the unique terroir of the Saint Tropez peninsula. It masterfully balances fruity notes with a hint of salinity, making it the perfect accompaniment to sophisticated Mediterranean dishes, ideally enjoyed on a lovely summer evening," says Edouard Planel, the Cellar Master. Each sip is a celebration of nature's bounty, showcasing gastronomy in its most stylish form.

### IN THE VINEYARD

Nestled along the seaside edges of La Croix Valmer, and perched on the Saint Tropez Peninsula, there lie vines sprawled across sandy-schist slopes. Here, vineyard management is conducted with a sustainable approach, meticulously aligning with the exceptional environment of the area, ensuring the vines are as content and thriving as sunbathers in Saint Tropez.

### WINEMAKING

Beginning with meticulous attention and craftsmanship, the winemaking process unfolds with the gentle art of destemming, specifically for the unique and locally cherished 100% Rolle grapes. These grapes then gracefully journey to the press. What follows is a ballet of fermentation, conducted at subtly cool temperatures within the modern confines of stainless steel tanks. This method adeptly encapsulates and safeguards the rich tapestry of aromas and flavors inherent to the Rolle varietal, a testament to its regional uniqueness and charm.
