Domaine la Roubine, AOP Gigondas, Red

AOP Gigondas, Vallée du Rhône, France

The estate is located in Gigondas, in the south of the Rhône Valley, at the foot of the “Dentelles de Montmirail” massif. The lands are located partly on the main plateau on the left bank of the Ouvèze, and for the AOC Gigondas at the foot of the Dentelles, on hillsides, at an altitude of 300m; these vines require more rigor and attention but they also bring finesse and concentration to the wines. The land is clayey-limestone, partly made up of Dentelles scree.

TASTING

Vanilla touches will remind you of its maturation in hog sheads, next you will discover the strenght coming from Grenache in mouth with tannins and virile balance. Syrah and mourvedre together with Cinsault bring the softness in the mouth as well as red fruits and spicy aromas. Very strong aramatic character in finish. Tannins with meaty and solid fruits. This Gigondas will be at his best in some years.

FOOD PAIRINGS

When pairing food with a Gigondas, opt for dishes as robust and rustic as the wine. A menu including beef stroganoff, stews or even spare ribs would work well. These wine match well with hard cheeses as well.
