

CHATEAU LES PINS

Château Les Pins, LES PETITS PINS, AOP Côtes du Roussillon, Rosé, 2025

AOP Côtes du Roussillon, Languedoc-Roussillon, France

Located in the heart of the Catalan village of Baixas, Château les Pins is a true master's house, steeped in history. Founded in 1854 by the Duverney family, proud defenders of their cellar, its terroir, and its traditions, it is in this spirit that our limited-edition cuvées embody this chivalrous nobility, with refined, cultivated, and conquering wines. Today, it houses the Town Hall and a barrel cellar where our sweet natural wines mainly age.

TERROIR

High terraces with Quaternary rocky soils with shallow depths and low water reserves. Rigorous selection of plots based on age, yield, and health status. The soil is mechanically worked or left grass-covered by the winemakers. Cordon de Royat and Gobelet pruning.

IN THE VINEYARD

Hand-picked grapes.

WINEMAKING

Reception of grapes in our cellars, direct pressing, cold stabilization, alcoholic fermentation in concrete tanks at low temperature.
