

La Mauvaise Réputation

Malbec

AOC Bordeaux - 2020 - **RED**

PRESENTATION

Prohibition, a time when alcohol had a bad reputation and was responsible for all the evils. This is the case here on this label, where Smedley Butler, a safety officer, destroys barrels in Philadelphia. Are we not moving towards those coercive years?

Wine is a symbol of culture, of French savoir-vivre.

This cuvée represents the secrets of our ancestral grape varieties revealed by the expression of unique terroirs: those of Bordeaux. A culture, on these lands of clay and boulders, well controlled and a complicit climate make this Malbec extraordinary.

At a time of global warming, they have found their place in our vineyards and on our tables.
