AGEING

Tank

VARIETALS

Sauvignon blanc 60%, Sémillon 40%

Contains sulphites.

SERVING

Serve between 8 and 12 degrees

AGEING POTENTIAL

2 to 3 years

TASTING

A pale yellow color with bright reflections. Surprising notes of acacia and white fruits on the nose. And in the mouth, a sharp attack that continues on the white fruit, like white peach. A real treat for the taste buds.

CLASSIC FOOD AND WINE PAIRINGS

Aperitif, International cuisine, Desserts, Cheese, Sea food, Shellfish, Fish, Poultry
