LE FOULEUR - BOURGOGNE CHARDONNAY 2022

AOC Bourgogne (Bourgogne), Chardonnay

Our Le Fouleur range is the expression of our style which seeks above all balance and harmony more than the demonstration of power or concentration. These wines, combined reflections of their grape variety, their terroir and their vintage, are the ideal gateway to our Great Burgundy Wines.

PRESENTATION

Today cultivated worldwide, the Chardonnay grape, native to the region, initially lent its name to a small village in the Mâconnais. It expresses itself here to perfection, giving our Cuvée a nice balance and mineral freshness. The color is very pale yellow with green reflections. This wine has a floral nose expressing on a note of white flesh fruits.

THE VINTAGE

The sunny conditions of the 2022 vintage and the high yields were a ready trap for white wines made from the Chardonnay grape variety, particularly with regard to acidity and concentration. It is therefore with redoubled attention that we have worked to finally obtain harmonious, fresh and delicate wines, nevertheless endowed with a beautiful richness, an undeniable mark of the vintage.

WINEMAKING

The wine is aged in stainless steel tanks to preserve maximum freshness and let the Chardonnay grape express its natural flavors. The bottling takes place after 6 to 9 months of aging on the lees, allowing to trap a wine in its full youth.
