

Château Clément Saint-Jean 2023

AOC Médoc, Cru Bourgeois, Bordeaux, France

PRESENTATION

Born out of the passion of winegrowers who love their terroir, the estate was established in 1996 following the careful acquisition of meticulously selected plots. Ten years of dedicated care for the vineyard have enabled us to create Château Clément Saint-Jean. The culmination of this work was the award of Cru Bourgeois status from the 2008 vintage onwards, a true mark of excellence.

Our estate is still inspired today by the same creative passion and strives every day to preserve the magnificent terroir that is the Médoc.
