PRESENTATION

At the heart of the world's largest wine-growing region, our 7,500 hectares of vines flourish on rich, varied soils: limestone, Villefranchian terraces and fertile valleys fed by the Hérault river. Cradled by an ideal Mediterranean climate, our plots enable us to harvest exceptional grape varieties, grown in compliance with the HVE3 charter.

TASTING

This Chardonnay is a beautiful yellow color, still full of vitality, revealing notes of white flowers, hazelnut, brioche and citrus on the nose. On the palate, this wine is both full-bodied and fresh, creating good harmony. Its fluid texture gives way to a delicate combination of substance and finesse.

REVIEWS AND AWARDS

JAMES SUCKLING.COM 90/100

Vintage 2023

"A mellow, fruit-driven and balanced chardonnay with aromas of apples, almonds and some fresh herbs. Medium-bodied with a crunchy fruit character on the palate. Delicious, with some sweet spices in the finish. Drink now. Screw cap."
