White

## PRESENTATION

Founded in 1973 by Georges and Nathalie Duvernay, the estate is based in Rully, at the northern edge of the Côte Chalonnaise. Since 2004, their children Dominique and Patricia have taken over, cultivating 12 hectares across Rully and Mercurey. Dominique, a passionate oenologist, leads the winemaking, while Patricia manages sales and distribution. The estate emphasizes sustainable viticulture, aiming to highlight the unique identity of each plot. The whites, made from Chardonnay, reveal beautiful tension and delicate floral aromas. The reds, dominated by Pinot Noir, are vinified with gentle extraction, resulting in silky and elegant wines. What sets the estate apart is its ability to express the pure, chiselled character of the Rully and Mercurey terroirs through precise, perfectly balanced wines.

## TASTING

The Rully Premier Cru Rabourcé white from Domaine Duvernay Père et Fils captivates with its depth and brilliance. Its golden robe with luminous highlights reveals a complex nose of white flowers, candied citrus, fresh almond, and a subtle hint of flint. On the palate, the attack is broad and vibrant, supported by fine mineral tension and a generous texture. Flavors of ripe lemon, pear, and toasted bread unfold in a long, saline, and elegant finish, showcasing the nobility of this hillside terroir.
