

AMÉDÉE

VIGNOBLES EN PARC NATUREL

Les Hautes Sentes, AOP Luberon, Blanc

AOP Luberon, Vallée du Rhône, France

As a result of careful plot selection, this cuvée expresses a magnificent terroir but also the work and know-how of our winemakers.

PRESENTATION

Les Hautes Sentes got its name from the trails that lead to our high altitude vineyards. Being winemakers in a natural park requires us to protect our environment, its biodiversity, its local crafts and its history. The more biodiversity there is, the more the terroir speaks.

TERROIR

Clay and limestone soils. Small plots selected among our best terroirs located on the slopes of the Luberon massif. Naturally low yields at 30 hl / ha.

IN THE VINEYARD

Harvesting at the beginning of October, at night. All grape varieties are harvested simultaneously.

WINEMAKING

Short skin maceration, followed by pneumatic pressing. Alcoholic fermentation for 20% in oak barrels (of which 30% are new). Alcoholic fermentation of the other 80% in vats, at 12-14°C. Fermentation after blending.

AGEING

Aged for 6 months.

VARIETALS

Vermentino 60%, Grenache blanc 40%

13 % VOL.

Contains sulphites. Does not contain egg or egg products.
Does not contain milk or milk-based products.

SERVING

Serve at 12°C. This wine is perfect as an aperitif, or as a companion to a veal knuckle with creamy mushrooms, an omelette with black truffles or lobsters with Armorican sauce.

TASTING

The robe is straw yellow with silver reflections. The nose is intense and complex. It reveals nuances of ripe yellow flesh fruits and a milky woody note, milk caramel. Some spices and notes of infusion participate to the aromatic complexity. On the palate one will find sweetness, suavity with a lot of subdued and roundness. It develops notes of honey, lemon and roasted hazelnuts. The wine presents itself with a good volume, and a nice roundness supported by an acidity that gives the wine length and persistence.
