

Crépuscule

AOC Bordeaux - 2021 - **RED**

PRESENTATION

Crépuscule is the French translation for Twilight, that short moment before nightfall. A frozen interval between two worlds, where time disappears with the shadows while memories are inscribed in the last light of the day.

This is the claim of this wine; to stop time to capture a unique moment.

Between day and night, between sun and moon, Crépuscule is intense and sunny but always light and fresh.

THE WINE

TASTING

With its beautiful deep garnet color, Crépuscule delights with an expressive nose combining fresh red and black fruits (blackcurrant, cherry, blackberry) enhanced by subtle spicy notes.

On the palate, it is both smooth and well-balanced, revealing generous fruit from the Merlot, freshness brought by the Cabernet Franc, and elegant structure from the Cabernet Sauvignon.

The result is a harmonious and gourmet wine, with a long and refined finish.
