Northern Rhône, Domaine Barou, "mauvaise réputation", IGP Collines Rhodaniennes, Rouge IGP Collines Rhodaniennes, France

Domaine Barou is a family estate, run organically since 1971 by Alexis Barou. After studying viticulture, Emmanuel, his son, turned the estate towards arboriculture and, above all, viticulture. So he replanted vines in Saint Joseph and Condrieu. The family estate tends to work the soil biodynamically. Their aim is to increase the surface area of foliage and breathe new life into the soil.

PRESENTATION

The vineyard covers 15 hectares. It is characterised by light, stony, weathered granite soils. The vines are located in two communes in the northern part of the Rhône Valley : Charnas and Limony.
