Champagne Solemme, Ambre de Solemme, AOC Champagne 1er Cru, Effervescent Brut Nature

AOC Champagne premier cru, Champagne, France

In 2006, Catherine and Olivier Langlais took over the family vineyard of 6 ha spread over 5 different terroirs in the Premier Cru of the Montagne de Reims. Their sensitivity to the natural environment led them to change their vine growing and winemaking techniques to organic and biodynamic methods in 2010. Olivier strongly believe in the power of the soil and since 2013, he became dedicated to do the most he could to revitalize his soil (tea compost, alfalfa granules).
