Domaine Guy Farge, Grain d'Emotion, AOP Condrieu, White

AOP Condrieu, Vallée du Rhône, France

Thomas Farge is the fourth generation of his family to be involved in viticulture. His father Guy started bottling his own wines in 2007 rather than sending the grapes off to the local Cave de Tain-l'Hermitage co-operative. Now Thomas has 17 hectares spread over Cornas, Saint-Joseph and Saint-Peray and makes a number of both red and white wines. The results, as with all of Thomas' wines, are pure balanced expressions of his terroir. These wines are from grapes raised mostly on Mount Sainte-Epine, a location

PRESENTATION

As the vines are rooted in steep and sloping terraced plots, viticulture is exclusively manual, from pruning to harvest. Difficult and tiring, it takes courage and patience to take care of each vine stock before being rewarded by the quality of the terroir wines produced up here.
