

Loire, Chateau de Coulaine, Clos du Turpenay,

Chateau de Coulaine is located on the famous terroir from the Véron in the Val de Loire, and follows a very old family wine tradition, never interrupted since 1300.

Taken over by Etienne de Bonnaventure as early as 1988, the vineyard has expanded and currently 12 hectares in organic farming, a personal choice that fits perfectly in the constant search for a harmonious balance between tradition and modernity.

#### **PRESENTATION**

This historic clos is a massal selection made between 1960 and 1995 on 2 ha.

The terroir, known and planted since the Middle Ages, is composed of clay and millarges or yellow tuff facing south-east.

### IN THE VINEYARD

This cuvée is a blend of parcels from the hillsides and plateaus near the château. This wine reflects the work of the winemaker: it is the fruit of the plant, its terroir and the hand of the man who guides them.
