Château d'Astros, Moon, Rosé, 2022

IGP Maures, France

The story of Château d'Astros reads like a novel: an epic fresco of more than eight centuries, in which Knights Templar, Renaissance men and the bourgeoisie of Marseille intermingle. Bernard Maurel, the current owner, gave a new impetus to the estate in 1963. Today, the family business is run by son (and priest) Bruno and cousins. Nestled among 680 hectares of unspoiled nature, bathed in light, and where life prevails, the 80 hectares of vineyard are now farmed organically.

PRESENTATION

The "Moon" concept was born during vintage 2017, first year of the organic conversion of Astros, each moon representing a year of conversion (the process takes up to 3 vintages in France) until the first officially organic 2020 vintage. Also harvested over three different nights and moons, conjuring up the name of this range.

IN THE VINEYARD

The estate has always favored gentle methods farming and winemaking methods. For here, all comes together: the generous sun, the cool breeze of the local wind, and its cleansing power, and above all the diversity of its soils with on the banks of river Argens (with alluvial soils and clay-limestone terroirs).
