Languedoc, Château La Liquière, Cistus, AOC Faugères, Rouge

AOC Faugères, Languedoc-Roussillon, France

Château La Liquière is a family winery that has been passed on several generations, and is nestled in the natural park of the Haut Languedoc. The vineyard, planted in Mediterranean grapes, is located in the highest part of the appellation Faugères, which is singular by its composition : only schist! Micro-management of the vineyard is done, as well as in the cellar : each block/group of parcels is fermented separately. Certified organic.

PRESENTATION

The name: The cistus or rock rose ('Cistus' in Latin) is one of our environment's iconic plants. It can be pink or white and defines the landscape in May.
