## BRUNO LAFON | SAUVIGNON BLANC

IGP Pays d'Oc, France

Bruno Lafon wines are wines Bruno personally endorses with passion. With more than 30 years of experience in wine-making and viticulture, Bruno has a unique insight and feeling for seeking out exceptional wines across the pricing spectrum. His extensive experiences, first as Head of Comte Lafon in the 1980's, then as founder of his own estate in the South of France have given him a unique and respected place in the international wine industry.

### PRESENTATION

Across the 40,000 hectares hosting the 23 Languedoc AOC's and 19 IGP's, no wine resembles another, the only consistency being the Mediterranean, ever since ancient times, influencing climate and growth: mild winters, hot and dry Indian summers, scents from the scrubland and the winds carrying the sea spray. And because most of Bruno's selected vineyards are located in-between the Pyrenees to the South and the Black Mountains to the North, they enjoy a privileged climatic position where the excesses of the Mediterranean climate are tempered by the softness of the Atlantic influences.

### WINEMAKING

No oak treatment.

### AGEING

Sur-lies aging

### VARIETAL

Sauvignon blanc 100%

### AGEING POTENTIAL

5 years

### TASTING

Shows lifted notes of elderflower, green lime zest, and boxwood. The palate is ripe, offering zesty ripe citrus flavors coupled with an edge of flinty minerality and asparagus keeping things framed and focused. Sur-lies aging gives balancing flesh and creaminess to the wine's crisp refreshing acidity.

### FOOD PAIRINGS

It is the ideal companion for goat cheeses, especially Loire and Touraine cheeses. It will go well with spicy Southeastern cuisine, its acidity will perfectly balance with the very spicy character.
