Southern Rhône, Domaine des Maravilhas, Alice, Vin de France, Rosé

Vin de France, VSIG, France

The Domaine des Maravilhas faces the Châteauneuf-du-Pape valley and was created in 1967 by a vigneron, coming from the Oran region in Algeria. His elders taught him to work the vines with their future in mind, and he opted wisely to not use any kind of herbicides : that led to the organic conversion in 1992, and the biodynamic certification in 2004. Since 2014, the estate is conducted by Jean-Frederic and Morgane Bistagne, following the biodynamic principles.
