# La Vicomté, Authentique, Vin de France, Rouge

Vin de France, VSIG, France

Situated in the heart of the world's largest wine-producing region, the vineyards of the Vicomté winegrowers cover more than 7,500 hectares. They grow on undulating land fed by the sediments of the Hérault river, but also on more chalky soils such as the Villefranchian terraces and semi-slopes. Benefiting from a Mediterranean climate, dry and arid in summer and mild in winter, we harvest the finest varieties using traditional growing methods.
