Le P'tit Chardo de Bruno, Blanc, 2023

Vin de France, VSIG, France

Bruno Lafon didn't just make wine; he made friends in the vineyards! Over the past couple of decades, he worked his charm with Languedoc growers, convincing them to join his grape squad. It's like he had a secret handshake for access to the crème de la crème grapes. Cheers to Bruno, the grape whisperer!

PRESENTATION

Bruno and Chardonnay: the Burgundy BFFs you never knew you needed! They're practically neighbors in the same Burgundy 'hood, so you know they're tight. Bruno's vineyards are like the VIP section up high, where Chardonnay gets all comfy and cozy, developing its aromas and tautness like it's at a spa retreat. It's like they share secrets and sunsets together, making wine that's as harmonious as a duet.

WINEMAKING

We're talking about a grape heist under the stars here, folks! We pick those grapes in the dead of night, like wine ninjas. Then, it's off to the low-temp spa for a little must clarification, making sure things are crystal clear. Fermentation? It's like a cozy vacation in stainless steel tanks at a comfy 16°-17°C. And before we seal the deal, we give it a quick spa-day light filtration. Our wine's so clean, it's practically wearing a tuxedo!
