DOMAINE DE VILLENEUVE

AOP Languedoc Pic-Saint-Loup
Red

PRESENTATION

Located in Claret, in Hérault, at the heart of Languedoc, Domaine De Villeneuve is a family estate that highlights all the richness and diversity of Pic Saint-Loup wines. The terroir, composed of limestone soils and scree, benefits from a Mediterranean climate tempered by the influence of the surrounding mountains. The estate practices integrated pest management, favoring manual work and precise vinifications to preserve the authenticity of the fruit. The reds, made from Syrah, Grenache, and Mourvèdre, are powerful and elegant, with notes of black fruits, pepper, and garrigue. The more confidential whites charm with their freshness and balance. An emblematic estate of Pic Saint-Loup, ideal for discovering deep and expressive wines.

VARIETALS

Syrah, Grenache

LOCATION

The estate consists of small vineyard plots, most of them under 1 hectare, surrounded by garrigue and woodland.
Age of vines: 40 years old

TERROIR

A unique natural amphitheater made up of south/southeast-facing clay-limestone hillsides.

IN THE VINEYARD

Sustainable farming practices, with organic conversion underway since 2022.

HARVEST

The harvest is carried out entirely by hand.

WINEMAKING

After a first sorting in the vineyard, the grapes are brought to the cellar. Syrah bunches are vinified using whole-cluster maceration directly in new oak barrels from the Tronçais forest. This technique preserves the integrity of the berries and prevents any crushing during vatting. Maceration lasts about 14 days. Punch-downs and pump-overs are adapted based on tasting, to extract color, tannins, and aromas.

AGEING

Complete vinification and ageing in 225-liter French oak barrels from the Tronçais forest for 12 months.

SERVING

Serving temperature: 16°C–18°C

AGEING POTENTIAL

10 to 15 years

TASTING

Deep purple color with intense and complex aromas of pepper, juniper, camphor, and cherry liqueur. The palate is robust and warm, with dense tannins softened by barrel ageing. A refreshing minty note lingers on the finish.

VISUAL APPEARANCE

Deep purple color.
