La Vicomté, Terres Rouges, IGP Coteaux du Salagou, Red, 2025

IGP Coteaux du Salagou, France

Our cellar of Puilacher offers you this selection of hillside wines from an exceptional terroir located on the shores of the Lac du Salagou. Located at an altitude of 135 m in the heart of the Hérault state in the south of France.

LOCATION

The red that colours the shores of the lake and the Salagou valley is made up of sandstone and clay commonly known as "ruffes". These rocks are the result of slow deposition of sediment over nearly 270 million years. The presence of iron oxide, which gives the soil its red colour, gives our wines soft, silky notes.

HARVEST

15th of September

WINEMAKING

The grapes are picked when they are fully ripe. The compounds in the skin are extracted by heat (thermovinification). This is followed by a 4-hour hot maceration to extract even more fruit. The musts are clarified before fermentation, which takes place at low temperature.

AGEING

The wine is then matured for 8 months in concrete vats. Blends are made to obtain the right profile.
