

ELRONDE 2020

AOC Puisseguin-Saint-Emilion, Bordeaux, France

PRESENTATION

This vintage pays tribute to the cooperative world. The rigorous selection process with our winemakers from Lussac Saint-Emilion allows the merlot grape to fully express itself in this bottle. Juicy and approachable in its youth, Elronde will reveal itself as refined and delicate after a few years, with a mature, rich bouquet featuring notes of leather and ripe fruits.

THE VINTAGE

This solar vintage, of very high quality, has produced fresh, powerful and balanced wines. The exceptional quality of the tannins allows these wines to be enjoyed young, but also ensures good aging potential. A beautiful vintage!

TERROIR

Puisseguin is located across from the Saint-Emilion plateau. The appellation covers approximately 760 hectares. Located on clay-limestone soils, they allow for the production of full-bodied and complex wines that have good aging potential.

WINEMAKING

Traditional winemaking with controlled temperatures. Rackings are carried out to optimize and enhance the extraction of fruit, color, richness, and roundness in the wine.

14.5 % VOL.

Contains sulphites. Does not contain milk or milk-based products.

SERVING

16-18°C

AGEING POTENTIAL

5 to 10 years

TASTING

With a sustained color, the robe announces the solidity and strength of the wine. It develops an expressive bouquet of ripe red and black fruits but still lively. The texture is soft, although fleshy and structured, with well-integrated tannins and a beautiful length.
