

Vineyards of Spain

BRUNOLAFON
wine selection

Spain, Bodega Briego, Supernova Roble, Espagne, Rouge

Spain

The Benito Hernando brothers manage the 77 hectares of vineyards. Their family is very clear that wine is not improvised, but is made by paying special attention to nature together with the effort for a job well done. Since the beginnings they have not stopped progressing so that their wines are recognised for their quality all over the world.

PRESENTATION

Selected vineyards in different plots in the valley of Peñafiel and Curiel at 750 m. altitude of sandy soil with siliceous stone and Fompedraza with an altitude of 910 meters of soil and limestone.

TERROIR

Sandy soil with siliceous stone and Fompedraza and limestone.
