

Clos Troteligotte, K-Or, AOC Cahors, Rouge, 2021

AOC Cahors, Sud-Ouest, France

A 100% Cahors malbec, a precious balance between liveliness, volume, and delicacy. A little treasure nestled on the Causse.

PRESENTATION

It is a 19-hectare estate perched on the high-altitude terroirs of the Cahors appellation. The vines are nestled in the heart of a wooded setting, a point of harmony between the Lot valley and the Causses of Quercy Blanc. In this unique place, where the energies of the valley and the Causse, the astral and the terrestrial mingle, the complexity of the elements nourishes the vines of Clos Troteligotte, which benefit from the benevolence of the hand of the man who cultivates it. In respect of this nature, Emmanuel Rybinski practices biodynamic agriculture.

TERROIR

Jurassic Kimmeridgian clay-limestone and iron-rich soil plateau, wine from a single plot.

IN THE VINEYARD

Age of vines: 30 years Harvest method: Manual.

HARVEST

Yields: 45 hl/ha.

WINEMAKING

Micro-plot selection, indigenous yeasts, gentle extraction, long maceration, sulfite-free winemaking.

AGEING

Aging in concrete tanks on fine lees. Aging potential: 2 to 7 years.

VARIETAL

Malbec 100%
