AOP Pernand-Vergelesses Premier Cru  
White

## PRESENTATION

Located in Pernand-Vergelesses, this family estate is one of the oldest in the region, with a winemaking history dating back over 250 years. Today, Vincent Rapet and his wife Sylvette manage the estate, perpetuating the legacy of their ancestors Roland and Robert Rapet. With 21 hectares of vines located in Pernand-Vergelesses, Aloxe-Corton, Savigny-lès-Beaune, and Beaune, the estate produces wines of great purity, practicing sustainable agriculture. The whites, aged on fine lees, offer magnificent mineral tension, while the reds develop a refined structure through long macerations and precise aging in oak barrels. Its strong point? A perfect alliance between tradition and technical precision, giving birth to elegant and balanced wines.
