PRESENTATION

Our cellar in St Bauzille de la Sylve offers you this summer vintage harvested on the territory of Gignac not far from the Pont du Diable. Located at the entrance of the Hérault gorges, the old Roman bridge, clinging to the steep banks, spans the river at its narrowest point. Considered as one of the oldest medieval bridges in France, it was built in the 11th century by the two nearby abbeys of Aniane and Saint-Guilhem le désert.

"Vintage 2022

A charming nose of red apples, red currants and dried thyme. It's medium-bodied, creamy and fruity. Well-balanced and well-rounded with a caressing texture and good volume on the mid-palate. Lively, grapefruit-like finish. Cinsault & Grenache. Drink now."
