RIJCKAERT ROUVE

AOP Saint-Véran
White

PRESENTATION

Former winemaker of the Verget house, Jean Rijckaert founded his own estate in 1998, in Leynes, south of the Mâconnais. The vineyard extends over 9.5 hectares, spread between Viré-Clessé, Mâcon-Lugny, and Saint-Véran in Burgundy, and Côtes du Jura and Arbois in Jura. The estate favors sustainable agriculture, respecting the authenticity of the terroirs. The whites of the Mâconnais are mineral and of great purity, while those of Jura, aged in barrels, offer beautiful aromatic complexity and remarkable typicity. What distinguishes us: mastery of Chardonnay in two different regions, offering a varied aromatic palette and a unique style.
