PRESENTATION

Located in the heart of the world's largest wine-producing region, the vineyards of the Vicomté winegrowers cover more than 7,500 hectares. They grow on hilly terrain fed by sediments of the Hérault River, but also on more calcareous soils such as the Villefranchian terraces and semi-slopes. Benefiting from a Mediterranean climate, dry and arid in summer and mild in winter, we harvest the finest grape varieties under HVE3 charter.

THE VINTAGE

We sought an aromatic impression of pink fruits and a long finish, a velvety tannic structure and a discreet alcoholic balance. Character, harmony and drinkability.

This wine is the fruit of a rigorous selection of plots of Grenache Noir to isolate the best potential for making an Authentic Grenache Noir red wine.

TASTING

The wine has a beautiful, deep, lively red colour. On first aeration, the nose reveals notes of raspberry syrup, redcurrant and rose. This is followed by spicier characters, with a clear impression of black liquorice, and then the scents of a Mediterranean environment. On the palate, the wine is full-bodied, with remarkably velvety tannins that carry through to the finish. The aromatic notes are confirmed by grenadine syrup, thyme blossom and peppery liquorice.
