Mas de Libian, Calade, AOP Côtes-du-Rhône, Red, 2022

AOP Côtes-du-Rhône,

The Thibon family bought Libian in 1670. A third-generation of the current owners Jean-Pierre Thibon and his wife Jacqueline have 3 daughters Hélène, Catherine, and Cécile. Jean-Pierre decided that the main activity at Libian would be wine: he built a cellar in 1970. The vines were, from the beginning, under organic agriculture: they plowed the soils, hoed by hand in the spring. A continuation of this philosophy and an important milestone for the domaine was being certified biodynamic in 2005.
