

Louis Hauller

Louis Hauller - Gewurztraminer Sélection de Grains Nobles

Alsace,

This sweet nectar offers a bouquet of great complexity, blending honey, candied fruits, mild spices, and its signature hint of rose. Made from a hand-picked selection of botrytized berries, it promises excellent aging potential. Perfectly pairs with foie gras, Roquefort, or Tarte Tatin.

PRESENTATION

Difficult to obtain, its production follows strict guidelines with some of the most demanding criteria among all French AOC wines. The term "Selected Noble Grains" refers to a harvest of rare, almost dried berries yielding only a tiny amount of juice. An exceptional wine that comes to life only when nature grants us the opportunity.

IN THE VINEYARD

We cultivate our plots using sustainable farming practices, meaning we enhance the positive impacts of agricultural methods on the environment while reducing their negative effects. It is an approach halfway between organic and conventional farming.
