

# DOMAINE de TRÉVALLON

FAMILLE DÜRRBACH

## Domaine de Trévallon rouge 2014

Indication Géographique protégée Alpilles

Trévallon is known for its long aging process, more than 2 years for its reds. Racking is kept to a strict minimum, the lees found at the bottom of the barrels continue to nourish the wine during the ageing process

### THE VINTAGE

Just before the harvest came the rains.

This is rare at Trévallon but at the time of picking, we had to do the selection directly from the vines.

### TERROIR

Limestone and clay soil, very stony: Hauterivian et Barremian, second stage of the lower Cretaceous, less than 130 million years.

### IN THE VINEYARD
