

Château Roubin, AOC Médoc, 2023

AOC Médoc, Bordeaux, France

PRESENTATION

This property was acquired by Sophie DURET in 1990. This vineyard property is located on clay-limestone soils for half of it and on gravelly soils for the other part. It is located in the municipality of Bégadan, on the estuary side of the Gironde. Other meadow areas surrounded by hedges and with marshes harbor a remarkable biodiversity in terms of both flora and fauna. The diversity of parcels on this property makes it an ideal environment for nature conservation.
